Southeastern Massachusetts University

MEMORANDUM

DATE: Jan 8, 1985.

TO:

FROM:

SUBJECT:

Harold,

Much thanks for the unreal (and ~~of~~ confidential) trip into the world of psychosis. What a flake!

I seriously doubt if I will — or should — contact such a loonie. I don't want such tapes and calls as you have been punished with.

Hope your health is improved or tolerable.

Best Regards

Phil
